LIVE!
Thousands of people labor under the delusion that "making ends meet" is living. What a mistaken idea! Living consists in enjoying life's best offerings, and having a surplus to bank. But how many city people make such headway? Very few. Practically every farmer does. Such proof, we think is conclusive that farming is life's best vocation. Come in and see us and we'll give you some facts and figures that will start you thinking. Farm ingures that will start you thinking. Farm starting costs are small--profits exceptionally big. For \$17.50 per acre up, on your own terms, you can buy famous Park Valley land. A postat will bring you our booklet, which tells all about it. Don't delay. Write us today.
